

JAN 1995 ?

CANTERBURY HARRIERS.

Congratulations to all trophy winners, (1st SEPT 1993 - 1st SEPT 1994):

As one presentation ends, we are preparing for another. Already some fast times have been recorded in all age groups. I have prepared for you a league table of results from which I have received from you so far.

If you would like to be eligible for awards at next year's presentation, let me know without delay so I can rectify any mistakes in this league table.

Dear athletes,

I know that quite a lot of you have run faster than the times recorded above, " especially " in the veteran Ladies age groups. So the question you should be asking yourself is, have I run a faster time since running in the SPURS colours of CANTERBURY HARRIERS. Please remember your club was formed on the 1st AUGUST 1993, if you performed faster before this date, it will not be excepted as a club best performance. BUT if you have run faster since becoming a SPURS SUPPORTER oooppps I mean a harrier, let me know so I can put the records straight.
