Faversham Half Marathon

Sunday 20 October

As many of you already know, the Club have decided to bring back this very popular Half Marathon. It has in previous years been sponsored by Shepherd Neame and they have shown interest in putting forward sponsorship again.

For those of you who are not so familiar with the race, it has always attracted quite a large entry of between 400 to 800 with the race having been started by some famous names eg Barry McGuigan and Bob Geldof. The course itself is run over fairly quite country lanes and although the first half of the course is quite undulating, the second half is quite fast.

As you can appreciate this is a big event for the Club to take on and will require a lot of manpower and organisation, not just on the day, but also leading up to race. We will need a lot of help. We are hoping that the Lions Club or local Cadets may assist with marshalling, but we will need car park marshalls, people on drink stations, at the finish area, late entry desk, help to organise the Fun Run etc. etc. It just goes on and on. Attached to this brief Newsletter is a form indicating the vacant positions and job description. If you are able to help and willing to take charge of a particular job, then please let Kevin, Bonny, Joe or Bob know.

Many thanks..

Le Touquet, France

10k & 20k Race

Saturday, 24th August

There are still a few seats left on the coach for this very popular day trip to the lovely (expensive) town of Le Touquet. The price for the coach is £12.00., the 10k race is £6.00 and £9.00 for the 20k.

We will be taking the 8.45am sailing to Calais where we will of course invade the hypermarket before travelling on to Le Touquet. To allow plenty of time for everyone to recover fully from their race, enjoy the beach and have plenty of time for sightseeing, we envisage leaving Le Touquet at approximately 6.30pm to enable us to catch the 8.45pm (local time) sailing from Calais.

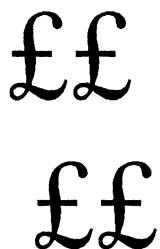

There will be two pick up points for the coach; from Love Lane, Faversham at 7.30am and Canterbury Bus Station at 8.00am. You are requested be prompt and we would remind you that you will need your Passport. For those of you who have already booked your seats, we will be getting in touch with you shortly regarding your race entries. If you would like any further information, please contact Bonny.
