## A Day at the Seaside: Whitstable 10K 2021

### MOSTLY MARSHALS      BLACK & WHITE PHOTOS

It was exciting to meet again and finally see everyone back in action as a full club at the Whitstable 10K, co-hosted and co-organized by Canterbury Harriers alongside Sporting Events UK on the early May bank holiday.

Everyone loves the seaside and so I hope you enjoy this collection of photos celebrating the fun and happiness of our annual coastal fundraising event. Shot on old school film, these are informal pictures of marshals and staff in the one race we can't race ourselves — with a few of the racers for good measure. The last photo is of Adam Hickey, to whom congratulations are due for finishing in first place with a time of 29 minutes 56 seconds, a record in the history of the event. Finally, a thank you to everyone for being good sports for the camera, as well as my apologies to those Harriers that I didn't have time to reach and snap.

Looking forward to seeing you soon,  
Tom
