

Kent Fitness League Inter club Relays and Presentation

Nurstead Court 17/03/2013

This traditional end of season cross country relay event took place at a cold, damp and windy Nurstead Court on Sunday – 13 clubs were represented fielding a total of 30 mixed teams of 5 – each runner completing a tough 4km loop.

This year Dartford Harriers had the successful quintet of Chloe Sharp, Chris Biddle, Alex Cameron, Connor Burford and Craig Sharp. After Chloe had handed over in 3rd place after the first leg, Biddle shortly hit the front on the second leg and the team remained at the front until the end.

Dartford posted a combined time of 1.17.33 which was almost one minute clear of the next team, Canterbury Harriers (our team champions). Third placed were New Eltham Joggers, whose second leg runner Chris Wyles – the men's champion this season - posted the fastest lap of the day , 13.31. The fastest lap by a lady was 15.50 as run by Nicola Groom (Larkfield AC) on the opening leg.

My thanks to Annabelle Stearns, Eric Pestell and everyone from Gravesend Roadrunners for their sterling efforts in putting on this event. Despite many competing local attractions in the Athletics calendar, the event was well attended and the marquee was packed out for the award ceremony afterwards – thanks to everyone for their support.

So the curtain falls on yet another great cross country season and we can look forward to warmer weather for the next few months (hopefully). See you in the autumn.

Rob Bright
